Kudos to Freecycle and Yahoo! for getting the rogue Freecycle groups off the Internet! I'm told more than 650 were removed due to copyright infringement. I know I reported 40 some odd here in Illinois alone.

I'm not sure how the process worked; but thanks to whoever took the time to compile the information and submit it to Yahoo! for investigation.

Keep doing the good work, everyone! :)

Except mistakes were made.
It would be nice to see a complete list.

That's great news! Perhaps whoever took care of that might also look into:
